RURAL & YOUNG RURAL AMBASSADOR AWARD

The Rural Ambassador award aims to highlight the importance of youth in rural South Australia and in particular, the agricultural show movement.

The award provides a great opportunity to give young people a forum to express their views through education and experience and develop closer links with the primary industries in South Australia.

The program highlights talent, creativity and ingenuity of participants and by so doing, encourages entrants to be role models and more involved in their local communities. The program also enables entrants to gain greater proficiency and develop their stature and reputation in their chosen field.
